MEMORANDIM FOR: General Truscott

SUBJECT : RECIDS

1. We have completed proof reading the galley proofs of ESCIDs Hos. 1 through 5 received from AD/OCR. With a change in the effective date and two other minor word revisions, these proofs will be empletely in accord with the drafts approved by the NSC.

- 2. I have checked the problem of transmitting MSCIDs overseas with the MG, and it appears that the problem can be solved by transmitting to the Executive Secretary, MSC, a memorandum along the lines as that shown as Tab A.
- 3. It is recommended that at the next IAC Heeting, the members be requested to inform your office of the following:
 - a. The number of complete sets of MCCIDs I through 5 they will require for use by their Washington headquarters.
 - b. The number of copies of each of these MSCIDs they will require for transmission oversees; and in each case, a list of their addressees.
